PROMOTE GOOD ORAL HEALTH, AND SUPPORT OUR TROOPS!

6TH ANNUAL

HALLOWEEN CANDY BUY BACK 2018

THURSDAY, NOVEMBER 1, 2018
4:00-6:00 PM

To Whom it May Concern,

Dr. Danny Hayes and Dr. Christine Mousa of Advanced Dental Concepts, are again participating in a nationwide Halloween Candy Buy Back program (www.halloweencandybuyback.com) that is taking hold across the country. The purpose of this program is to promote Halloween as a healthy Dental Holiday. As you may have heard, our country is facing an epidemic among our youth in the form of childhood obesity, diabetes, ADD and ADHD. Also, childhood dental health and rampant tooth decay continue to be a major issue.

We do not want to take the fun out of Halloween!! We encourage children to participate in trick-or-treat fun, select a few pieces of their favorite candy stash, and donate the needless pounds of excess candy for cash and prizes at our dental office on November 1, 2018 from 4:00-6:00 pm. The donated candy will then be sent to our troops overseas in care packages via Operation Gratitude (www.opgratitude.com).

At this event, we are exchanging the candy donations for cash donated by our office, \$1 per pound up to \$5 per child. We want to make this event a fun and exciting extension of the Halloween holiday for the children and their families...because we know how difficult it is for our children to give up their Halloween stash.

We are asking local businesses to help participate in this event by donating to it's cause. We are seeking donations in the form of:

- Healthy snacks and drinks to offer to the families at this event
- Kid friendly gifts and prizes to give away as raffles and contest winners to the children who donate. Every child that attends will receive a free raffle ticket from which the prize winners will be drawn at the end of the evening
- Gift certificates to restaurants, fast food locations, and family fun activities such as bowling, movie theaters, mini-golf, jump centers, etc.
- Shipping boxes and cash donations of any amount to help offset the shipping cost of the donated candy to Operation Gratitude in California
- Any donations that you may see fit

We are so excited to be hosting this event for the 6th time. We feel that it is for a great cause and would appreciate any possible donations that our local businesses, organizations and residents could afford to provide. We would also like to extend a personal invitation for you, your families and friends, or your patrons to attend as this will be a family fun event. Please have the children wear their costumes for our costume contest and photos. We love to see our local children having a great time and hope that you will attend. We thank you in advance and will acknowledge all of our donors on our websites, www.ADC4Smiles.com and www.DentistPortageIN.com, and on any signs and posters that will be displayed during the event. If you have any questions or would like to make a donation, please contact our office manager, Kathy, at 219-663-6878. You can also reach us by email at supersmiles@ADC4smiles.com. Thank you and have a safe and happy Halloween.

Sincerely,
Dr. Danny Hayes, Dr. Christine Mousa and Staff at Advanced Dental Concepts
